

EACCME

European Accreditation Council for Continuing Medical Education

CERTIFICATE

The ISUOG Academy,
made available on <http://isuogacademy.org> and organized by International Society of Ultrasound in
Obstetrics and Gynecology (ISUOG),
is accredited by the European Accreditation Council for Continuing Medical Education (EACCME)
to provide the following CME activity for medical specialists.

Each medical specialist should claim only those credits that he/she actually spent in the educational
activity. The EACCME is an institution of the European Union
of Medical Specialists (UEMS). Only those e-learning materials that are displayed on the UEMS-EACCME
website have formally been accredited.

Through an agreement between the European Union of Medical Specialists (UEMS) and the American
Medical Association (AMA), physicians may convert EACCME credits to an equivalent number of AMA
PRA Category 1 Credits™.

Information on the process to convert EACCME credit to AMA credit can be found
at www.ama-assn.org/education/earn-credit-participation-international-activities.

Jose Carcamo

has been awarded **01** European CME Credits (ECMEC®s)
for his/her participation in the e-learning activity

Effectiveness of 12-13-Week Scan for Early Diagnosis of Fetal Congenital Anomalies in the Cell-free DNA Era

on **14-May-2020**
